

SurfSHIELD™

Natural barriers that protect and preserve

Dry Goods Barrier Solutions

CASCADES SONOCO'S DRY GOODS BARRIER PROTECTION

Our customized water-based and extrusion coating barrier solutions keep water and grease stains from penetrating your packaging

APPLICATIONS

Powders, laundry detergent, granules, pet food

PRODUCT TYPES

Folding carton, paper bags

COATING OPTIONS

Multiple solutions including extrusion and water-based coatings or a combination of the two

PRODUCT FUNCTIONALITY

- Water proof barrier protecting dry goods with extremely low moisture resistance (MVTR) entering carton
- Grease resistance – no stain
- Odor barrier
- Gluable: Hot-melt and cold set
- Printable surface: Flexo, gravure or offset printing

PRODUCT RANGE

- Customized solutions to address your specific requirements, including moisture resistance, grease resistance and odor resistance
- Linerboard grades ranging from 20lb. to 69 lb./1000 ft²*
- Coating weight may be customized based on food requirements and freezing conditions

*Other grades available upon request

Benefits

- 100% recyclable and repulpable when treated with water-based coating
- High water barrier with low MVTR
- Grease resistance keeps cartons stain-free
- Reduces costs by eliminating packaging disposal fees and the need for plastic bags
- FDA compliant for direct and indirect food contact
